Dear President Lindholm,

It is with great pleasure that I take this opportunity to congratulate the Falstrom Company on receiving the Manufacturer of the Year Award. You have earned the highest admiration of the New Jersey Manufacturing Extension Program by exhibiting your integrity and dedication as a company.

This award celebrates your company's commitment to innovation and customer satisfaction. Manufacturing some of the best electronic enclosures in the country, your passion as a provider and manufacturer has made you a leader in the industry. We need to do everything we can to protect the brave men and women who serve our nation and going forward I know you will carry on your success by contributing even more value to our armed forces. The Falstrom Company and its employees are more than deserving of this incredible distinction and I thank you for all of your hard work.

Once again, congratulations on this honor! The cause of American manufacturing is near and dear to my heart and I thank you for demonstrating such excellence in your work. As your Representative in Congress, should you ever need my assistance, please do not hesitate to contact me.
